*****NEW TOURNAMENT MANAGEMENT SOFTWARE FOR 2019. ALL PLAYERS MUST REGISTER FOR A NEW PROFILE BEFORE REGISTERING FOR ANY 2019 EVENTS.*****

Golfers,

The WVGA will be utilizing a new tournament software for all events beginning in 2019. This software (USGA Tournament Manager) will now be utilized by all Allied Golf Association's across the country and will offer us the newest most innovative tournament software to date. As we are in the process of building our tournament schedules for this software we are now needing **ALL** of our players (Men, Women, Juniors) to access our new program and create a brand new profile. The login information and profile that you used in year's past will no longer work and is no longer accessible. Therefore, over the next few weeks we ask that you utilize the instructions provided below to register and create a new player profile with your current information. As of February 1, 2019 you will be able to access and create your profile as well as (for Juniors) register for membership to our Callaway Junior Tour. It is our hopes that all players will create their profile within the next few weeks so that we can ensure everyone has access to register for tournaments which will open up on February 25th.

If you have any questions regarding the creation of your new profile or the instructions listed below please do not hesitate to contact the WVGA at 304-391-5000 or by email.
